

Gift shop

Welcome to the château's gift shop !

The shop is open to the public. There, you will find a large choice of jewellery, dishes, decorative objects, souvenirs and books with themes of castles and the Middle Ages, as well as a children's space, with works on everyday life, games and costumes. Two rooms are also dedicated to tapestry reproductions.

The shops opening hours are the same as those of the château ([consult the château's opening hours](#)).
