

[Tours and handicaps](#)

Visually impaired visitors

For blind and visually-impaired visitors, information cards in braille (only in French) as well as in large print are available upon request at the château's reception desk.

You can also, before coming to the château, download then save the sound file below on your MP3 player (only in French).

.....

Visitors with cognitive disabilities

Adapted tour sheets are at the disposal of assistants accompanying people with cognitive disabilities : they are available upon request at the château's reception desk.

.....

Physically impaired visitors

The château's configuration makes access to the chateau's interiors difficult for people with a physical impairment.
